

Job Posting

Location: Kirkland, WA

Job title: Senior Accountant - Tax

Reports To: Controller

Type of Position:

Exempt, full-time

Salary:

DOE

Posting Period:

Until position is filled

Purpose of Position:

The senior staff accountant will support the tax function within the accounting team. The candidate will be responsible for coordination and preparation of tax returns along with supporting the overall accounting team with maintaining control over the accounting records and timely financial reporting.

Responsibilities:

The senior tax accountant will perform and oversee a variety of recurring and non-recurring transaction tax functions including tax return preparation and review of related compliance filings for domestic jurisdictions. The position will also include indirect tax project work as required on a variety of business advisory, financial reporting, transactional, and tax research and analysis projects. Additionally, this role will be part of the overall accounting team responsible for maintain control and reporting from the general ledger.

The staff accountant will join a team of accounting professionals, report directly to the controller and work closely with the other tax accountants. This individual will work in a dynamic tax, business and regulatory environment. Areas of focus will include domestic state and local sales tax, cable related regulatory fees, telecom taxes, Washington business and occupation tax, and general accounting responsibilities. With an expanding regulatory footprint with new product offerings in new markets, this role will be an important part of the Company's future.

Minimum Qualifications:

- BA/BS degree in accounting
- CPA license or actively working towards attainment
- Masters in tax or accounting is a plus, but not required
- 4+ years of tax experience in a corporate tax department or public accounting firm
- Proficiency in Microsoft Office with an emphasis in Excel

Core Competencies:

- Highly organized with superior attention to detail and strong analytic skills
- Strong written and verbal communication skills
- Ability to learn internal systems and software quickly
- Works well independently and in a team environment
- Self-starter and diligent problem solver
- Strong team player willing to assist in any capacity needed
- Have a collaborative and collegial professional demeanor

- Possess a strong desire to learn and a natural intellectual curiosity
- Multi-task in a fast-paced and rapidly changing environment
- Desire and ability to learn a new business and company, along with the associated tax issues
- Preparation of tax returns and related compliance filings
- Plan timing of deliverables within agreed due dates and update manager regularly
- Work effectively and efficiently under pressure
- Perform self-review of work product
