Wave Fiber Design and Construction

Job title: Fiber Construction Quote Specialist

Reports To: Director, Fiber Design & Construction

Purpose of Position:

The Fiber Construction Quote Specialist plays a vital role in ensuring quality and timely deliveries of our fiber quotes to our customers. The successful candidate will have strong construction management skills, the ability to work independently, knowledge of construction practices for outside plant cable placement and sufficient experience with computers. The position requires telecommunications construction experience and a financial background.

Responsibilities include:

- Plan and design fiber routes to prepare quotes
- Understand and learn actual costs from construction projects enabling precise quotes
- Take part of construction meetings understanding all current projects
- Work with many different resources; implementation team, network engineers, field personnel and contractors to ensure quality quotes
- Prepares special reports by collecting, analyzing, and summarizing information and trends
- Assist in keeping our pricing up to date for quotes
- Analyze and recommend upgrade/expansion strategies
- Work flexible hours
- Maintain a positive attitude and strong work ethic that can provide high productivity with minimal supervision.
- Participates in engineering, permit and construction processes
- Perform other duties as requested by supervisor

Qualifications and Work Environment:

- Experience with fiber optic network documentation tools
- Skilled in outside plant construction with an understanding of network design and engineering
- Strong financial understanding
- College degree or equivalent experience
- Strong analytical skills – ability to translate data to strategy
- Ability to think creatively and strategically
- Strong communication skills are absolutely essential as is a cooperative attitude toward co-workers, customers and contractors
- Excellent organization and time management skills
- Visual design skills are a strong plus

- Ability to interact effectively with other team members.
- Must be able to work independently without supervision
- Ability to adhere to Local, Federal regulations and Company policies
- Valid driver's license, auto insurance, with a satisfactory driving record

Diverse Workforce / EEO:

WaveDivision Holdings (WDH) recognizes and strongly supports the benefits of a diverse workforce, and strives to provide a culture that recognizes the unique contributions of each of our employees. WDH requires a drug test, background check, employment, and education verification as conditions of employment. WDH is an equal opportunity employer and will consider all qualified candidates regardless of race, color, religion, national origin, gender, age, marital status, veteran status, and the presence of a non-job related handicap or disability, or any other legally protected status.

To Apply: Interested applicants may send their cover letter and resume to hrmgr@wavebroadband.com (please include job title and location of description in your email)
